SPECIAL NOTES

What WE do and who We are…

We ARE classy and by far the best audience the other bands will*ever* have (including their own parents).

We ARE courteous and respectful of those who help make our travel possible (parents, drivers, stadium personnel, etc.)

We ARE professional and mindful about the way we present ourselves in the stands, on the field, and when moving from place to place (this includes PDA, etc.)

We ALWAYS support the team in their efforts to win by staying focused on the game, cheering loudly, and playing like champions.

We **ARE** Liberty … and that means EVERYTHING!!
