

Dear Future Liberty Band Member,

We are **EXTREMELY** excited to welcome you to the Liberty Band family for next year.

As we continue to grow and continue to improv, we are always looking for ways to make the band stronger and to help each player achieve their individual goals. With that in mind, it is important for us to get this information in your hands earlier than ever, so you are aware of some **VERY IMPORTANT** dates and procedures for next year.

We are very excited about the possibility of having close to 200 wind players and percussionists in next year's band program! Our audition process is designed to fit you appropriately into one of our four performing concert groups for next year. This process is designed to give you a better chance at showing us what you are truly capable of on your instrument. Independent judges have been hired to hear your audition on **WEDNESDAY, APRIL 24**. Read the following information VERY CAREFULLY so you know what to expect.

DATES FOR YOUR AUDITION EXPERIENCE

Monday, April 8, April 15, and April 22

ALL students will come to Liberty HS for "Spring Visual Training"

May 6th OR May 13th

ALL band parents need to attend one of the two MANDATORY parent meetings from 6:00 – 7:15 PM in the Library.

Wednesday, April 24th

Brass and Woodwind players will audition **LIVE** for independent judges.

Audition materials can be found on the website at www.libertyhsband.com/futuremembers beginning on April 8, 2024

Please go to our website at www.libertyhsband.com/futuremembers in order to access additional details and information regarding the band program. Remember, **EVERYONE is a part of the Liberty Marching Band!**

In addition, we are also including some particularly important calendar information for you to use as you plan your spring and summer months. Additional information will be discussed throughout the remainder of the semester in band classes. As always, the most updated schedule information will be found at www.libertyhsband.com/calendar (the schedule is typically available up to a year in advance). Please also keep reminding other fellow band students.

While it is satisfying to reflect on how the band program has developed over the years, it is even more invigorating to envision our collective future. As a staff, we are **thrilled** about your participation in what we consider to be the best organization Liberty High School has to offer. On behalf of all of us, let us be the first to say ...

WELCOME TO THE FAMILY!!

Musically yours,

Jamie Weaver
